No-Spend Month

Color each day you spent nothing beyond essentials. You define “essentials”.

No-spend days: / 31 _____

One colored box is already a win. This is information, not a grade.

30-Day Habit Streak

Color one box each day you did it.

My habit: _____

1	2	3	4	5	6
7	8	9	10	11	12
13	14	15	16	17	18
19	20	21	22	23	24
25	26	27	28	29	30

Streaks break. That's fine — just color the next box.

Quick Start

One page, one minute. Then just start.

1. Print the pages you want — black & white, draft mode saves ink.
2. Write a goal on each tracker. Or skip it and just start.
3. Color one box each time you save or show up. Any amount counts.
4. Missed days happen. Color the next box. Nothing breaks.
