Family Claims - Who Wants What, By When

EXAMPLE - the Alvarez family list, one week before the deadline.

HOW THIS PAGE WORKS

1. List each item once, as it comes up while sorting (page 15).
2. Family members write their name against anything they truly want.
3. Set ONE claim deadline for everybody. Same date, no side deals.
4. Not picked up by the deadline? It moves to Donate or Sell - as your parent decides.

The claim deadline for our family is: Saturday, Nov 14

Item	Claimed by	Pick-up by	Picked up
Tall bookcase	Daniel	Nov 14	☑
Dining table + 4 chairs	Ana (niece)	Nov 14	☐
Toolbox, full set	Daniel	Nov 14	☑

Sewing machine	Mia	Any time	☑

Unclaimed after Nov 14 - the encyclopedia set and the spare bed move to Donate, as Rosa decided. She kept the sewing machine claim for Mia herself.
