Seller's description

WEEKLY PLANNER + RESTART KIT
A simple weekly planning system that helps you start, stay organized, and get back on track after a break.

Most planners are built for people who never miss a week. This one is built for real life: it runs on a single weekly page, takes minutes to maintain, and - when life interrupts - it has a Restart page that picks you up exactly where you are. No backfilling missed days. No guilt pages. No starting over from scratch.

THE SYSTEM (9 PAGES)
- Quick-Start Guide - begin in about 10 minutes, no long manual to read
- Weekly Focus - your whole week on one page: a capacity pick for the week (low / steady / full), #1 thing, top 3 priorities, fixed times, parked items, next actions
- Brain Dump - get everything out of your head, unsorted...
